Octoverse 2025 The state of open source

C# Statistics

The screenshot shows the top navigation bar with 'Home' and 'News & insights' links, followed by the main title 'Octoverse: A new developer joins GitHub every second as AI leads TypeScript to #1'. Below the title is a subtitle about AI, agents, and typed languages driving software development shifts. The bottom features the GitHub logo and the text 'Octoverse 2025'.

Octoverse: A new developer joins GitHub every second as AI leads TypeScript to #1

In this year's Octoverse, we uncover how AI, agents, and typed languages are driving the biggest shifts in software development in more than a decade.
